YOU MAY NOT ACCESS OR OTHERWISE USE THIS WEBSITE IF, ANY TIME, YOU DO NOT AGREE TO THESE TERMS:

Personally Identifiable Information:

Because we rely on third party commercial software and programs to operate our servers, we may inadvertently collect personal information due to certain automatic functions or features contained in such software or due to certain software changes or updates. We will use reasonable efforts to remove any such information after we discover such information in our system. If you come across any such unintended collections please notify us promptly so we can take the necessary action to remove such information from our system.

Linked Sites:

The website may contain links to other sites. Other sites may also reference or link this website. GTU is not responsible for privacy practices or the content of some other websites.

Consent to Processing:

By providing any information to the website, all users fully understand and unambiguously consent to the collection and processing of such information.

Internet Protocol Address:

We may use your internet protocol address to help diagnose problems with our server and to administer the website. Your internet protocol address is used to help identify you for the duration of a session and to gather broad demographic information.

Click stream data:

As you browse the internet, a trail of electronic information is left at each website you visit. This information, which is sometimes called 'Click stream data', can be collected and stored by a web site's server. Click stream data can tell us the type of computer and browsing software you use, the address of the website from which you linked to the website, and in some instances, your email address. We may use click stream data to determine how much time visitors spend on each page of the website and how they navigate through the website. [We will use this information to improve the website. Any collection or use of click stream data will be anonymous and aggregate, and will not contain any personally identifiable information]
